

Action cameras, sometimes called Adventure cameras, are great for outdoor filming, or otherwise rough conditions. These cameras are generally small and lightweight and the sensor is guarded with super durable glass. What is the name of one of the common and well-known action cameras?

- A) GoPros
- B) Insta360 One X
- C) Hasselblad H6D-100c
- D) Canon AE-1 35mm Film Camera

The correct answer: A
